

Vision Guides everything for My Husband and I.

A strong vision passed to us by the Hills is why we love Victory.

1. Vision Gives Purpose - A reason to get up in the morning

- Without Vision we lose our way, we can become depressed
- My “**Why**” guides me personally and in ministry, to know my “**What**”
- We need to expand our heart to embrace God’s vision
- My personal vision and purpose is simply - *Knowing God and making Him known*; (Isaiah 58 influenced me)

Proverbs 29:18 (KJV)

*Where there is no vision, the people perish:
but he that keepeth the law, happy is he.*

The word: “**VISION**” Compared in different versions:

NKJV – *revelation*, NLT – *divine guidance*, & ESV – *prophetic vision*

2. We need to be in church

- Sitting under anointed teaching and preaching
- Need to be in the word, in prayer and listening
- Need to obey and align ourselves with His Word and plan for us

3. Vision Makes us a World Changer

Words: “**People Perish**” Compared in different versions

NKJV “**cast off restraint**” or NLT “**run wild**”

- We certainly see this effect in the world today
- We can affect or reverse the trend in society
- Psalm 2: They “**cast off restraints of the Lord**”

4. Keep the vision simple - SIMPLIFY IT

Our Vision needs to be as simple as “Know Him and Make Him known”

- Simple so we can recall it in difficult circumstances
- Our posture should be “*How do I serve You today?*”, this helps to focus our approach
- Drives out depression
- Makes us more fruitful
- Brings the Kingdom of God – righteousness, peace & joy in the Holy Ghost
